

## For Immediate Press Release

Rebuilding Warriors is a 501(c)3 Non-Profit organization providing highly trained and socialized

Service/Companion Dogs to Honorably Discharged Veterans, diagnosed as Amputees as well as those with PTSD (Post Traumatic Stress Disorder), and TBI (Traumatic Brain Injury). These service dogs have proven to be great therapeutic relief for those suffering from the emotional side effects of warfare.

In an effort to help spread awareness about Rebuilding Warriors' mission and what they do for Veterans, we wanted to give you the opportunity to cover this feel good story on your local news segment.

U.S. Army Veteran Gary Orvis
